Name of Signatory: S.M. al Momin

Title of Signatory: President

1. I, S.M. al Momin, certify that I am an officer of the Company named above, and acting as an agent of the Company, that I have personal knowledge that the Company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules.
2. The company is a VoIP wholesale provider. The Company works with various carriers and wholesale customers, depending upon their rates and levels of telecommunications route quality. The Company bills the carriers and wholesale customers that it works with. As company don't deal with end user so it doesn't have any end user's information like customer name, phone number, address so the company does not bill individual customers for its services and, therefore, it does not have access to specific billing information for individuals.
3. The Company does maintain information related to the calls that are made through the carriers and customers that it works with. It does not use this information for any marketing purposes and does not share such information with any third parties to be used for marketing purposes.
4. Although the Company does not use CPNI, the Company does have procedures in place to ensure that it is in compliance with the requirements set forth in section 64.2001 et seq. of the Commission's rules and that CPNI is protected from unauthorized access. These procedures include, but are not limited to, training personnel regarding improper disclosure of CPNI and limiting access to CPNI to only trained personnel.
5. The Company does not disclose CPNI to individual customers and it only provide invoice to its carriers or wholesale customers and provide call record information to them only at their authorize person's request and such information is required

for billing purpose. However, as stated hereinabove, the Company does not have individual end user customers at this time and, as such, CPNI is not disclosed.

6. The Company did not take any action against data brokers during the calendar year 2008.
7. The Company did not receive any customer complaints in 2008 concerning the unauthorized release of CPNI.
